finally barca will win the champions league

no disrespected to barca , but chelsea vs bayern will be more interesting game

my top 8 in series: barca, psg, liverpool, madrid, bayern, arsenal, chelsea, napoli

if hanshi trusts araujo, we trust araujo. don't forget he was beast under xavi and koeman

trips to england will be great

barca was never linked with barca
estevao was always a barca fan, he wanted barca but barca didn't go for him

the negligence towards man city, well, we'll see what happens

we are winning against psg. but, chelsea & newcastle will be tricky ones.

ousmaane..the snake will be cooking again; ..the ballon d'or winner

if newcastle vs barcelona happens in december pedri, yamal tight your hamstrings because joe linton tonali are coming for yaa

thank you brother

these draws looks so scripted man ngl. barca v psg and chelsea we all wanted and we got, trent ki gharwapsi voh bhi milgyi, hmesha ki trh money making tie of city v madrid, kdb homecoming, and psg got toughest fixture once again cuz uefa knows they finish their league single handedly in march. this is looking so much scripted (not serious , just telling it in a joking way)

top karegi spurs

why isak ditch the best team in pl and go for 2nd best team in spain

watchable liverpool vs real madrid (arnold , xavi) coming to anfield

i hope araujo again perform the generational game for all the defenders to look upto like how he did two years ago vs psg

uefa giving freebies to some catalonia club i see

nuno mendez emptying his pockets before the barca game to let yamal sit there comfortably

i am more interested in castle vs barca

i trust flick. if he trusts araujo, then i trust him too. let's go all in this season ! visca barça !

NEGATIVE Comments

i hope araujo will shit against psg so that barca will not rely with him in the ucl knockout otherwise same shit will happen again he is the only player who never learns from mistake

madrid psg

barcelona and psg in this match any one team will dominate another, and the other team will get thrashed

chonky bhi ap popular agenda ka nam pa bakwas karna shuru hogya ligue 1 ka nam pa apka club ka goat ka kia hal hoa tha ligue 1

of all the 36 teams, benfica has the toughest fixtures. i will not be surprised if they get grouped. secondly psg and inter have the toughest fixtures.

araujo revival loading...
he will show levels to enrique 🔥🔥

barca vs psg
real madrid vs liverpool taa 🔥🔥🔥

isak to liverpool noob

last szn some big teams were struggling thats why bare minimum to reach top8 was 16 points but i think this time it will be 18 points. so,18 points is needed out of possible 24 points to reach top8.

i'm worried about real vs almaty kazakhstan

barca vs psg, araujo don't be arauhoe once again 🙏🙏, hope meister flick can do sum for me 😊

NEUTRAL Comments

chhonky bhai, try to stream barca matches from your channel

banger video

last time barca faced chelsea, messi made courtious to wear petikot

i just wanna see psg getting slapped here n there 🙏

i think barca vs psg will be a banger match

estevao and doue (yet again) are gonna see levels.
